

ACTIVITY 2:

Identify meaningful employment exploration activities and experiences

INSTRUCTIONS: Read the scenarios below and list meaningful activities and experiences to explore employment. Refer to the [CBSM Employment exploration services](#) policy for a list of covered services.

SCENARIO 1

Shawna is not sure about the idea of work. A friend told her that he got in trouble with Social Security when he worked, which makes her nervous. You spend time with Shawna learning about what interests her and her previous experiences. She spends most of her free time taking care of the vegetable garden in her yard and the farm animals at her family's farm.
