

## ACTIVITY 5:

# Identifying transition points

**INSTRUCTIONS:** Read each scenario and determine the phase the person has been in and the phase they are transitioning to.

---

**SCENARIO 1**

Felix has been working with an employment service provider to decide if he wants a community-based job. He participated in two job shadows and two work experiences, plus he learned how his work and benefits can go together. You meet with Felix and the employment provider for an update. Felix shares that he not only knows he wants to work, he knows what he wants to do! He would like to work for a mechanic, auto body shop, or auto parts store.

- What phase has Felix been in?
  - Which phase is Felix transitioning to?
- 

**SCENARIO 2**

Lonna got a job with the support of VRS and began working two weeks ago. A VRS employment service provider is providing Lonna and her employer extra support for the next two months, then the waiver employment support services will begin.

- What phase has Lonna been in?
  - Which phase is Lonna transitioning to?
- 

**SCENARIO 3**

Ronald has been working at a golf course for the past five years doing grounds maintenance. He found out the golf course is closing and his job will end next month. He would like a new job, but he's not sure if he wants to continue doing ground maintenance or something different.

- What phase has Ronald been in?
  - Which phase is Ronald transitioning to?
-
