EVENT DETAILS:

E1MN is Minnesota's state agency partnership to advance outcomes for youth and adults with disabilities. The state agency partnership between the departments of Education (MDE), Employment and Economic Development (DEED), and Human Services (DHS) evolved from Minnesota's Employment First policy adopted by the Olmstead sub-cabinet in 2014.

This event is for professionals that serve transition-aged youth in Southwestern Minnesota to:

- Help build strong partnerships critical to a person-centered transition services support system
- Make connections with professionals from other agencies in the region and better understand each other's unique roles
- Share and learn what's working well with collaboration across agencies, and discuss how to best collaborate with others in the area
- Set up a structure for addressing issues specific to each school district
- Dive into the tools created to support collaboration
- Develop a shared understanding of E1MN processes
