Employment exploration services

INSTRUCTIONS: Read the scenario below and answer the questions. Refer to the [CBSM Employment exploration services](#) policies and the “[Professional resources](#)” page of the Disability Hub MN Work Toolkit.

SCENARIO

You are a waiver employment service provider and recently received authorization to provide Jana waiver employment exploration services. You meet with Jana and explain the scope of exploration services and how you can assist her in making an informed choice about work. Jana shares that she is worried she will not be able to get a job because of her disability.

Using the list of covered services in the CBSM Employment exploration services policy, find and note below three services that could help Jana make an informed choice:

1.

2.

3.

Using the list of guides and trainings on the “Professional resources” page of the Work Toolkit, find and note below two guides or trainings that could help you build your skills with delivering employment exploration services:

1.

2.
