

ACTIVITY 2:

Employment development services

INSTRUCTIONS: Read the scenario below and answer the questions. Refer to the [CBSM Employment development services](#) policies and the [“Professional resources”](#) page of the Disability Hub MN Work Toolkit.

SCENARIO

You recently received authorization to provide Harold waiver employment development services. You meet with Harold and explain the scope of development services and how you can assist him with discovering his interests and strengths and preparing for a job. Harold shares that he is not sure what kind of work he can do and he is worried how working would affect his benefits.

Using the list of covered services in the CBSM Employment development services policy, find and note below three services that could help Harold discover his interests and strengths and prepare for a job:

1.

2.

3.

Using the list of guides and trainings on the “Professional resources” page of the Work Toolkit, find and note below two guides or trainings that could help you build your skills with delivering employment development services:

1.

2.
